**Guest speaker - Pauline Longden.**

Pauline served for 14 years with the Australian army nursing corps, specialising in trauma nursing. She saw active service in East Timor and Solomon Islands.

Author of a small book called “**From Depression’s Darkness to the Light of Life**” which is the story of her personal journey and battle with depression.

In the centenary commemorative year of ANZAC, this is an opportunity for Cairns RSL-Sub Branch to recognise the role of women in the defence of Australia. Women who “***Make It Happen***” - the theme for “International Women’s Day 2015.”

Come along and share a meal, listen to Pauline’s experiences during service and life after the Army. Share your experiences, listen to others. Celebrate the work of women who can “***Make It Happen.***”

Our aim is to provide an event that encourages effective action for advancing and recognising women, especially those women who are serving or have served in the ADF, as well as those women who support the efforts of family members who are serving or have served in the ADF.
